**GEARED TO EXCEL**

# ENVISIONED DRIVE

Embarking as a first generation entrepreneur, Gaurav Jain with his fathers **intuition** and brothers **assistance**, **envisioned** a strategic drive into transmission gears. **Identifying opportunities** in the backdrop of India as global manufacturing hub for the automotive boom, Uzchnaq Tech evolved as a **strategic road map** in response to this scenario.

As a professional mechanical engineer, the top-notch technocrat in him engineered a product portfolio of special application gears and pinions. This covers **earthmoving, mining, farming** and **heavy construction industries**.

Uzchnaq Technology Pvt Ltd, marks a growth trajectory manifesting the sharp strategic acumen of the visionary, in synergy with the **professional engineers** and the **management** team.

Uzchnaq, has partnered with industry leaders in South East Asia the Middle East, Africa and Europe through its Mantra of the Trident:  
**Product - Quality - Price**

Streamlining the learning curve, Uzchnaq raises the bar on its own bench marking.

## EMPOWERED TEAM

Celebration of the human spirit is truly manifested through its corporate ethos. That of putting people before profit, reflected in its true value and intangible commitments. Uzhnaq has successfully identified, nurtured and retained a highly dedicated and constructive talent pool.

All by incenting high-value achievers even by offering equal opportunities across the human quotient.

Streamlining the learning curve, Uzhnaq raises the bar on its own benchmarking.

## STRUCTURED

## OPERATIONS

Investing in futuristic technologies, and **advanced processes**, Uzbn40 has integrally **leveraged its value proposition**. **Quantifying** its commitments across vital **parameters** of scheduled deliveries of **exacting standards** and **compelling value**, Uzbn40 has set the standards right across the **supply chain**.

With the eye on well-defined timelines, Uzbn40 is investing in **process automation**.

Incorporating state of the art design sections, truly fast forwards design translation into machining data, which in turn is directly transferred to high-speed precision machining centres.

All this helps address **core customer concerns** through professional **cross functional teams**.

# ENGINEERED QUALITY

Engineering excellence through quality, Uzhnaq has upheld **innovation and exacting standards as the mainstay** in its continuous endeavour towards excellence.

**Transcending convention** has enabled Uzhnaq, to evolve and adhere to global standards, thereby notching beyond **customer expectation**.

Right across the product cycle, a **stringent quantifiable testing** schedule is maintained. Even after heat treatment the **complete micro structure** of a piece is checked by way of destructive testing.

Further bettering its exacting standards, facilitates its exemplary strides to match **product value** beyond its own benchmarks.

# ADVANCED TECHNOLOGY

Investing in futuristic technologies, and advanced processes, Uzhnaq, has partnered with industry leaders for the latest Machine Technologies.

Incorporating the latest manufacturing concepts and world-class quality operating systems, Uzhnaq, sets new trends in terms of design cues, manufacturing processes quality control procedures.

From industry specific raw product parameters to product packaging and dispatch, process automation upholds a smooth supply chain. Automatic and semiautomatic Gear Hobbers, with milling, drilling, broaching, welding to surrounding notching etc.

# PARTNERED PROGRESS

Partnering in growth synergies of prospects and enterprise networks, Uzchnaq redefines its business responsibilities. Investing in the highest standards in industry practices it creates strong bonds, right across the value chain.

Based on its transparency and corporate governance, Uzchnaq writes takes exemplary strides in its CSR commitments.

The faith reposed by industry leaders stand testimony to Uzchnaq's trust barometer and this translates to its brand equity across different geographies.

**UZHNAQ TECHNOLOGY PVT LTD**
